

TECHNICAL CIRCULAR No. 886 of 6th August 2025

To	All Surveyors/Auditors. All flags
Title	Validated Model Training Courses
Reference	Survey of life-saving appliances

Validated Model Training Courses

The Sub-Committee finalized and validated the text of the draft revised Model Course 3.05 on Survey of Fire Appliances and Provisions, which includes the course framework, the detailed outline and instructor manual. Also, the draft terms of reference for the revision of the Model Course 3.06 on Survey of life-saving appliances were prepared for the course developer(s) and the Review Group.

Next Steps: The Model Course on Fire Appliances and Provisions is subject to an editorial review prior to publishing, and the Model course on Survey of life-saving appliances is to be revised and drafted intersessionally with a view to submittal to SSE 12 (2026).
